Appendix – Definitions

“Account Holder” The term “Account Holder” means the person listed or identified as the holder of a Financial Account. A person, other than a Financial Institution, holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary, or as a legal guardian, is not treated as the Account Holder. In these circumstances that other person is the Account Holder. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder.

“Controlling Person” This is a natural person who exercises control over an entity. Where an entity Account Holder is treated as a Passive Non-Financial Entity (“NFE”) then a Financial Institution must determine whether such Controlling Persons are Reportable Persons. This definition corresponds to the term “beneficial owner” as described in Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012). If the account is maintained for an entity of which the individual is a Controlling Person, then the “Controlling Person tax residency self-certification” form should be completed instead of this form.

“Entity” The term “Entity” means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation.

“Financial Account” A Financial Account is an account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.

“Participating Jurisdiction” A Participating Jurisdiction means a jurisdiction with which an agreement is in place pursuant to which it will provide the information required on the automatic exchange of financial account information set out in the Common Reporting Standard.

“Reportable Account” The term “Reportable Account” means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person.

“Reportable Jurisdiction” A Reportable Jurisdiction is a jurisdiction with which an obligation to provide financial account information is in place.

“Reportable Person” A “Reportable Person” is defined as an individual who is tax resident in a Reportable Jurisdiction under the tax laws of that jurisdiction. Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for purposes of determining their residence for tax purposes.

“TIN (including “functional equivalent”)” The term “TIN” means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the OECD automatic exchange of information portal at <http://www.oecd.org/tax/automatic-exchange/>.

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a “functional equivalent”). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number, and resident registration number.

“US Person” A “US Person” means a US citizen or resident individual, a partnership or corporation organized in the United States or under the laws of the United States or any State thereof, a trust if (i) a court within the United States would have authority under applicable law to render orders or judgments concerning substantially all issues regarding administration of the trust, and (ii) one or more U.S. persons have the authority to control all substantial decisions of the trust, or an estate of a decedent that is a citizen or resident of the United States. This shall be interpreted in accordance with the U.S. Internal Revenue Code.

5.4 Any order of the Client to the IF should be precise and should describe its object with accuracy. Orders for amendments, confirmations or repetitions should be defined expressly as such. The IF reserves the right (but not the obligation), in order to protect the Client's transactions, to require the Client, at his own expense, to confirm such orders in writing before transmitting them for execution. The IF reserves the right to establish the contents of the order as it should be completed and submitted by the Client to the IF for the order to be a valid and binding order under the Agreement.

5.8 With particular regard to the service of reception and transmission of orders, the IF, upon acceptance of the order, shall only be obligated to duly transmit to a person or persons having the ability to execute such order.

5.9 The Client acknowledges and accepts the risk of mistakes or misinterpretations in the orders sent due to technical or mechanic failures in the electronic or telephone or fax or other systems, the risk of delay or other problems as well as the risk that the orders may be placed by unauthorised persons. The Client accepts that during the reception and transmission or execution of his order, the IF shall have no responsibility as to its content, the identity of the person placing the order or his power to manage the Client's account with the IF or to dispose of the underlying Financial Instruments or for any delay in the reception and transmission or execution of the order except for fraud or gross negligence. The Client shall be obliged to indemnify and keep indemnified the IF or its directors or its employees or its representatives for any claim by third parties or damage, obligation, costs or expenses which the IF or any third party may incur or sustain as a result of the reception and transmission or execution of the orders.

5.10 The IF shall have no liability in respect of acts or omissions of natural or legal persons which may substitute it during the reception and transmission or execution of the Client's order.

5.11 The Client shall be exclusively responsible for the persons employed for the transmission of the orders and shall be precluded from claiming against the IF any defect during the transmission of the order in relation to the person transmitting the order to the IF, even where the said person has acted fraudulently or with gross negligence. The Client shall be bound unto the IF for each and every order transmitted to the IF in his name through such person and any relevant claim by him shall be limited exclusively to a claim against the person transmitting the orders.

5.12 Where the Client does not provide the information in relation to his knowledge and experience in the investment field relevant to the specific type of product or service offered or demanded so as to enable the IF to assess its appropriateness for the Client or where the Client provides insufficient information regarding his knowledge and experience, the IF will warn the Client that it is not in a position to determine whether the Service or product envisaged is appropriate for him. Further, in such case the IF reserves the right not to proceed with an instruction and or execution order and or the provision of any of the Services, if it deems that such action shall not be in the best interest of the Client. Similarly, when providing the service of Investment Advice or Portfolio Management, where the Client does not provide the information in relation to the Client's financial situation including his ability to bear losses and his investment objectives including his risk tolerance so as to enable the IF to recommend to the Client investment services and financial instruments that are suitable for him, the IF reserves the right not proceed with the provision of the service of Investment Advice or Portfolio Management.

5.13 Unless specifically instructed by the Client to the contrary and to the extent permitted by law, the IF may execute the Client's orders upon any market or exchange and through any clearing house selected by IF, including executing a transaction outside a trading venue. The Client hereby expressly consents to the execution of orders on behalf of the Client by the IF outside a trading venue.

5.14 The IF shall be obliged to:

- (1) Where the Client makes reasonable and proportionate requests for information about the IF's policies or arrangements relevant to execution and how they are reviewed, the IF shall answer clearly and within a reasonable time,
- (2) demonstrate to the Client, at the request of the Client, that it has executed his orders in accordance with the IF's execution policy,
- (3) inform the Client about any material difficulty relevant to the proper carrying out of orders promptly upon becoming aware of the difficulty.

6. Refusal of execution

6.1 The Client acknowledges the IF's right, at any time and for any reason, to refuse at its absolute discretion to execute any order, including without limitation the following cases:

- (1) where the IF considers that the execution of the order is intended or may be intended to manipulate the market of the Financial Instruments (market manipulation),
- (2) where the IF considers that the execution of the order is intended or may be intended to legalise the proceeds of illegal activities (money laundering),
- (3) where the IF considers that the execution of the order constitutes or may constitute abusive use of privileged confidential information (insider trading),
- (4) where the IF considers that the execution of the order affects or may affect in any way the credibility or the normal operation of the market,
- (5) if the account of the Client does not have sufficient balances to cover the transaction or in the case of an order for the sale of Financial Instruments, if there is no sufficient number of Financial Instruments registered in the name of the Client which may be transferred so that the sale order may be satisfied,
- (6) if the Client has not fulfilled all his obligations to the IF as these arise from this Agreement.

6.2. If the IF refuses or declines the execution of an order and or the reception and transmission of an order, it will take reasonable steps to promptly notify the Client of this but subject to this the IF will not be liable for any failure to do so.

6.3 Any refusal of the IF to execute any order or to implement the reception and transmission of an order shall not affect the obligations which the Client has towards the IF or the rights which the IF has against the Client or against Financial Instruments or property assets owned by the Client or on which the Client has any right.

7. Titles of Financial Instruments

7.1 Unless the Client has otherwise agreed in writing, the Financial Instruments purchased by the IF on behalf of the Client shall be registered in the name of the IF or to its order for account of the Client or in the name of the Client and subject to the provisions of **clause 8.1**, the titles, if any, shall be held by the IF at its address, as mentioned in the Agreement or by their issuer.

7.2 Subject to the provisions of **clause 8.3** below, if the Client requires the dispatch of his titles, he should do so in writing in full knowledge that he shall have full responsibility and that he shall be required to re-deposit the titles with the IF if he wishes to place a relevant sale order to the IF.

7.3. The IF shall be entitled not to conclude Title Transfer Financial Collateral Arrangements with the Client for the purpose of securing or covering present or future, actual or contingent or prospective obligations of clients.

8. Safe keeping of Financial Instruments

8.1 Where the Client and the IF agree, the Financial Instruments of the Client may be deposited for safe keeping either with the IF or with a third party of the IF's choice who provides such custody services, upon the terms and conditions which the IF or the said third parties provide such services and subject to the terms of the specific agreement between the Client and the IF or the third party as the case may be. The Client shall approve such terms in advance.

8.2 In case the Financial Instruments are deposited for safe keeping with third parties, the Client shall give his irrevocable instruction and authorisation to the IF to enter on his behalf into an agreement with the custodian of the IF's choice upon the terms and conditions that the custodian provides the service. It is further agreed that the Client shall bear the costs and expenses of such service and he shall be fully responsible for the corresponding risk. The IF shall solely bear the responsibility for the selection of the custodian.

8.3 In case the Client wishes the return of his Financial Instruments or other property assets, he shall give written notice to the IF. Upon receipt of the notice, the IF shall, as soon as possible, arrange for the delivery to the Client or to his order of any Financial Instruments or property assets belonging to the Client or the control of those which are under its possession or control as the case may be. The Client shall bear the costs and expenses for the dispatch or transfer of the Financial Instruments or other property assets. Provided that the IF maintains the rights he would otherwise have against the Financial Instruments or property assets in relation to the Client's obligations under the Agreement.

8.4 The above are not exclusive of other references to safe keeping of or parting with Financial Instruments or assets belonging to the Client set out in the Agreement, any Addendum or any other agreement entered into between the Parties.

9. Client's Account

9.1 All cash amounts and funds delivered by the Client to the IF for the purpose of acquiring of the Financial Instruments or which are the proceeds of sale of the Financial Instruments of the Client or which the IF holds for the account of the Client for any reason or purpose shall be held in the name of the Client and or in the name of the IF for the account of the Client in a credit institution or another investment firm as shall be agreed from time to time with the Client.

9.2 By signing the Agreement the Client authorises the IF to proceed to any deposits or withdrawals from the account referred to in **clause 9.1** on behalf of the Client including, without prejudice to the generality of the above, withdrawals for the settlement of all transactions undertaken in the context of this Agreement and all amounts payable by or on behalf of the Client to the IF or to any other person.

10. Investment Advice

10.1 The Client agrees that, unless otherwise expressly agreed in a relevant Addendum and or another agreement between the Parties, the Services provided by the Agreement shall be provided, where permitted by Law and in particular the Commission Delegated Regulation, on an execution only basis of the orders of the Client by the IF

and the Client should not expect from the IF the provision of any Investment Advice unless the IF expressly agrees to provide such Services. To the extent permitted by law, any news, prices, opinions and any other information which may be provided to the Client are simply provided to enable the Client to take his own investment decisions and do not constitute personal investment advice. In case the IF is deemed, for any reason to provide any recommendation or advice the Client hereby agrees that any transaction carried out by following or alternatively ignoring any such recommendation or advice shall be deemed to have been carried out by the Client based exclusively on his own judgment.

10.2 The Client agrees and acknowledges that he shall not rely on the IF for any investment strategy and the IF shall absolutely have no responsibility, irrespective of the circumstances, for any such investment strategy, or investment.

10.3 In case the Client requires the IF and the IF agrees accordingly to provide the Client with the service of provision of Investment Advice the above **clauses 10.1 and 10.2** shall not apply and the Parties shall sign an additional separate document for this purpose whose provisions shall apply specifically for the service of Investment Advice. The provisions of the Agreement shall apply to the extent that they do not conflict with provisions of such document.

11. Portfolio Management

11.1 Where the Client requests from the IF the provision of the service of Portfolio Management and the IF agrees, the Parties shall sign an additional separate document for this purpose whose provisions shall apply specifically for that service. The provisions of the Agreement shall apply to the extent that they do not conflict with provisions of such document.

12. Other Services and Activities

12.1 Where the Client requests from the IF to proceed on his behalf with transactions in any services and or activities other than execution of orders on behalf of clients and or reception and transmission in relation to one or more financial instruments, which the IF is licensed to provide and the IF agrees, the Parties shall sign, where the IF so requests, an additional separate document for this purpose whose provisions shall apply specifically for that service or activity. The provisions of the Agreement shall apply to the extent that they do not conflict with provisions of such document.

13. Dividends and other Rights

13.1 The Client shall be responsible for doing all necessary acts for the collection of all income and the acquisition of all rights and the exercise of the voting rights deriving from his Financial Instruments unless otherwise provided for in the Agreement.

13.2 Without prejudice to the generality of the provisions of the above clause, dividends, distributions and other income arising from the Financial Instruments of the Client and received for any reason by the IF, shall be collected by the Client from the IF's address following a relevant notice of collection by the IF or shall be deposited in the Client's account with the IF, unless the Client shall give other instructions in writing. If the Client requires the dispatch of his income, the IF shall do so, but the Client shall have full responsibility for any risk involved and shall bear all relevant cost.

13.3 Without prejudice to the generality of the above provision, the Client understands and agrees that he is and shall be solely responsible for having knowledge of the rights and terms of issue of all his Financial Instruments which may be terminating or expiring. These include, without any limitation, share issues, bonus issues, warrants, voting rights, convertible Financial Instruments, bonds, stocks and Financial Instruments which are subject to any acquisition or exchange offer. The IF shall have no responsibility nor shall it have any duty to notify the Client in respect of any expiry dates or acquisition dates or to proceed to any actions on behalf of the Client without specific written orders from the Client which have been accepted by the IF in writing. In case the IF proceeds with any reminder in relation to the Financial Instruments of the Client or in relation to the exercise of a right or the conversion by the Client, the Parties hereby agree that such reminder shall not constitute the provision of the service of Investment Advice and such action shall not entail the assumption or recognition of any obligation on the part of the IF and that the Client shall remain responsible for all of the above without any prejudice to the foregoing.

14. Laws and Regulations

14.1 All transactions for the account of the Client shall be subject to the laws governing the constitution and operation, the rules, regulations, orders, circulars, customs and practices of the Cyprus Stock Exchange, the Athens Stock Exchange or any other Stock Exchange where the IF shall conduct transactions on behalf of the Client, the Cyprus Securities and Exchange Commission, the Market and those governing the operation of the investment firms and/or the provision of investment and ancillary services, as such rules, regulations, orders, circulars and customs shall be amended or altered from time to time. The IF shall be entitled to take or abstain from taking any measures necessary in order to comply with these rules, regulations, orders, circulars and customs in force from time to time. Any such measures taken and all rules, regulations, orders, circulars and customs in force or applicable shall be binding on the Client.

15. Breach of Obligations of Client

15.1 The Client shall deposit with the IF, before the execution of the order, any funds required for the execution of the order or any Financial Instruments the sale of which is required from the IF in relation to his order. In case these obligations are not met, the IF shall be free not to execute and set aside the relevant order, in whole or in part, or to cancel the execution altogether. If the IF proceeds to execute the Client's order, though the Client has not fulfilled his obligations, the Client shall be obligated to deposit immediately the purchase price of the Financial Instruments, in case of purchase, or to deliver the Financial Instruments, in case of sale, and to deposit the IF's fee as well as the relevant duties or commissions or other expenses, otherwise the Client shall be considered instantly in arrears without any further notice. The Client shall be liable for any loss caused to the IF from this delay including for any loss of profit. Furthermore, the IF shall be entitled to debit any amount due to the Client's account with the IF or any other temporary account without prejudice to any other right of set off or attachment the IF may be entitled to.

15.2 All property assets, including any kind of Financial Instruments or funds which come, by any means, into the possession of the IF for account of the Client or the disposal of which the IF undertakes on behalf of the Client, shall be subject to the IF's right of lien. The IF shall therefore be entitled to refuse to deliver any of them to the Client or to any other person to the order of the Client until the Client carries out his obligations towards the IF. For this purpose, all other separate transactions between the Client and the IF shall be deemed to be governed by these terms. The IF shall not be liable for any losses caused to the Client or to any third party by the exercise of the right of lien or by any other lawful action which may be taken by the IF, for the settlement of its claims against the Client, including any future or contingent claims.

15.3 The Parties agree that in case the IF carries out a transaction on behalf of the Client which is not covered by the balance of the Client's account with the IF, the latter shall immediately pay the difference between the balance and the cost of the transaction. In addition, and without any limitation to the obligation of the Client to pay such difference, the Parties mutually acknowledge that the IF shall have the following rights:

(1) To sell or in any other way liquidate any Financial Instruments or other property assets of the Client which are in the possession or control of the IF for any reason and to cover, with the proceeds a part of or the total of the difference. In case the property assets or Financial Instruments which are in the possession or control of the IF are more than one, the IF shall be free to choose the priority of liquidation at will.

(2) To withhold any amounts in cash or other property assets or Financial Instruments managed or possessed by it in any manner.

(3) If and to the extent permitted by law to set-off, without the consent of the Client, any amount held for the account or to the credit of the Client against any obligations of the Client to the IF or to combine any accounts of the Client held with the IF.

(4) For the purposes of **clause 15.3**, the balance of the Client's account with the IF may include an amount of loans, credits, other credit facilities or margin provided by the IF to the Client, if the Client and the IF have agreed for the provision of such loans, credits, credit facilities and or margin to the Client by the IF. The Parties shall sign an additional separate document for this purpose whose provisions shall apply specifically to that service. The provisions of the Agreement shall apply to the extent that they do not conflict with the provisions of such document. The IF shall be entitled to provide credits or loans and/or margin and enter into a relevant document with the Client provided that the said ancillary service shall be provided where and to the extent permitted by the Law and the Commission Delegated Regulation.

15.4 The Client shall bear any cost incurred by the IF for the management and any liquidation of the property assets or the Financial Instruments of the Client as well as for all legal and other expenses.

15.5 If the Client owes any amount to the IF, regardless of whether it is in arrears, the IF may require the Client to deliver to the IF as security for the amounts owed, any property assets or Financial Instruments which the IF shall deem necessary, the value of which should be equal to such percentage of the amount owed to the IF as the IF shall specify, in each case to the extent that this is permitted by law. To this extent, the Client shall be obligated to sign any requisite document and take all necessary action for the granting of any such security in favour of the IF.

15.6 The IF may refuse to proceed with its obligations under the Agreement, for as long as it maintains any claims against the Client, whether these are due, future or contingent and regardless of whether these arise from the same transaction from which the abovementioned obligations of the IF arise.

15.7 The IF shall be entitled to charge interest on each debt of the Client which has become in any way due and payable, at such rate as it may decide from time to time based on the IF's relevant policy to the extent permitted by law.

15.8 The Client shall fully reimburse the IF as soon as he is required to do so for any loss sustained in any way, which is due to acts or omissions of the Client or his Authorised Representatives or Attorneys.

16. Liability and Indemnity

16.1 Save in cases of gross negligence, wilful neglect or fraud on the part of the IF or its employees, the Client shall indemnify and keep the IF and or its directors and or its employees and or its representatives harmless and free from any claim by third parties and or for any loss, liability, costs or expenses which the IF may incur in respect of any act or omission of the IF in respect to the provision of the Services or as a result of any act or omission on behalf of the Client and or its Authorised Representatives or Attorneys.

16.2 The IF shall have no liability for any loss caused by misrepresentation of facts or by error of judgment or any act done or omitted to be done by the IF whenever caused, save to the extent that such misrepresentation or act or omission is directly due to the wilful neglect or fraud on the part of the IF and or its directors and or its employees and or its representatives.

16.3 The IF shall have no liability for any loss of opportunity as a result of which the value of the Financial Instruments of the Client would have otherwise been able to increase or for any decrease in the value of the Financial Instruments of the Client, howsoever caused, save to the extent that such loss or decrease is directly caused by the wilful neglect or fraud on the part of the IF or its directors or its employees or its representatives.

16.4. Where the IF considers, on the basis of the information it has received from the Client, that the product or Service is not appropriate to the Client, the IF shall warn the Client in compliance with the IF's duties under the Law. If, irrespective of the warning of the IF, the Client decides to proceed with such product or Service, the IF shall have no liability for any loss and or damage that the Client may incur or suffer as result of such decision.

17. Foreign Exchange

17.1 Any conversion required to be effected from one currency to another for the execution of any order or for effecting any transaction by the IF in accordance with or in relation to this Agreement, may be done by the IF in such manner and at such time as it may deem appropriate at its absolute discretion. The Client acknowledges and agrees that he shall undertake all risks arising from any such conversion and in particular, without prejudice to the generality of the above, the risk of loss which may be created as a result of the fluctuation in the exchange rates

17.2 Without prejudice to the generality of the above **clause**, in case the Client does not fulfil his obligations mentioned in **clause 16** above, the IF shall have the right to debit any account of the Client held with the IF, with any amount connected with the execution of the Client's order in the currency of the relative transaction or at the IF's absolute discretion, with the respective amount in a currency in which the Client holds his account with the IF, at the spot rate of exchange as this shall be finally determined by the IF.

18. Fee, Charges, Commissions, and other Expenses

18.1 The IF shall be entitled to a fee in respect of the Services provided by it as this shall be specified by the IF from time to time depending on the type of transaction and in accordance with the IF's charging policy in force from time to time. The present amount and the method of payment of the IF's fee as well as any charges, commissions, taxes or other expenses shall be determined in **Appendix D**. Any amendment of the **Appendix D** effected by the IF

in accordance with this clause may be effected by the IF unilaterally and shall be notified to the Client. The IF shall disclose to the Client information on costs and charges as required by the Law and the Commission Delegated Regulation. Further details, however, may be disclosed at the request of the Client. **Appendix D** may be amended at any time during the duration of this agreement and any such action does not affect any other terms of this Agreement. The Parties may make specific provision in relation to the fees for any service to be provided pursuant to an Addendum to this Agreement in such Addendum.

18.2 In addition to the fee of the IF as per **clause 18.1**, the Client shall pay to the IF immediately upon its demand all out of pocket expenses which the latter has incurred during the provision of the Services or the execution of the orders, any Value Added Tax, any other tax, duties and levies, any fees payable to any third parties taking part in the provision of the Services or the execution of the orders and any other expenses incurred or which are payable in relation to the provision of the Services or the execution of the orders.

18.3 The Client hereby authorises the IF to debit immediately his account with the IF with the payable amounts as provided by **clause 18**. In case the Client does not maintain an account with the IF or there is no available balance in his account with the IF, the IF shall be entitled to debit any amount due in a temporary account at such rate of interest as provided in **clause 15.7**.

19. Provision of Information to Client

19.1 The IF hereby provides the Client with the general information set out in **Appendix E**.

19.2 Where, for the purposes of the Commission Delegated Regulation and Directive D1144-2007-02, information is required to be provided in a Durable Medium and the provision of that information in that medium is appropriate to the context in which the business between the IF and the Client is carried on, the Client chooses in respect of Article 3(1) of the Commission Delegated Regulation and paragraph 4(1) of Directive D1144-2007-02 that the provision of the information be done by electronic communication to the address of the Client as specified above.

19.3(1) Where the IF has carried out an order, other than for portfolio management, on behalf of the Client, the IF:
(a) promptly provides the Client, in a Durable Medium, with the essential information concerning the execution of that order;
(b) sends the Client a notice in a Durable Medium confirming execution of the order as soon as possible and no later than the first business day following execution or, if the confirmation is received by the IF from a third party, no later than the first business day following receipt of the confirmation from the third party. The IF shall not send the notice where the confirmation would contain the same information as a confirmation that is to be promptly dispatched to the Client by another person. Again, the IF shall not send the above notice where orders executed on behalf of the Clients relate to bonds funding mortgage loan agreements with the Clients, in which case the report on the transaction shall be made at the same time as the terms of the mortgage loan are communicated, but no later than one month after the execution of the relevant order.
(2) In addition, the IF supplies the Client, on request, with information about the status of his order.
(3) In the case of orders relating to units or shares in a collective investment undertaking which are executed periodically, the IF either sends the above notice or provides the Client, at least once every six months, with the information listed in paragraph 3 of Article 59 of the Commission Delegated Regulation and paragraph 19(4) of Directive D1144-2007-02.

19.4 Where the Client has been classified as a retail client and the Client's account includes positions in leveraged financial instruments or contingent liability transactions, the IF shall inform the Client, where the initial value of each instrument depreciates by 10 % and thereafter at multiples of 10%. Where applicable, the Parties hereby agree that reporting under this paragraph may not be on an instrument-by-instrument basis. Such reporting shall take place no later than the end of the business day in which the threshold is exceeded or, in a case where the threshold is exceeded on a non-business day, the close of the next business day.

19.5 Where the IF holds client financial instruments or client funds it sends at least once a year, to the Client for whom it holds financial instruments or funds, a statement in a Durable Medium of those financial instruments or funds unless such a statement has been provided in any other periodic statement.

19.6 Any objections by the Client regarding any item included in the information sent to him as per **clauses 19.2 and 19.3** above, should be submitted to the IF in writing within fifteen (15) days from the date he is informed. Otherwise, the Client shall be deemed to have accepted all items included in the above information.

19.7 The Client may submit to the IF in writing his objection as to the execution or non-execution or the manner of execution of the transaction carried out for his account within two (2) business days from the date of confirmation. Failure of the Client to act as above shall prevent the Client from raising any objection, contestation or dispute with respect to the transaction executed for his account.

20. Assignment of Duties – Outsourcing/Delegation - Representatives

20.1 The IF shall have the right to appoint representatives to execute any administrative or other services so as to enable the IF to execute its obligations under the Agreement. The IF shall act in good faith and shall exercise due care, in selecting and using the representatives.

20.2 The IF shall have the right, after giving written notice of the details of any outsourcing or delegation of any Service to the Client, to outsource or delegate any of its duties under the Agreement to an associate, affiliate or subsidiary or to any third person or persons and may provide information in relation to the Client and or the Portfolio to any such person. However, the liability of the IF to the Client in respect of all matters assigned to the associate, affiliate, or subsidiary, person or persons shall not be affected.

20.3 Any such associate or representative assuming the obligations set out above shall meet the requirements of the Law.

21. Power of Attorney and other Documents

21.1 The Client shall sign any document which in the opinion of the IF is fair and necessary for the provision of the Services by the IF under the Agreement, including without limitation, powers of attorney for the execution of his orders. Any such power of attorney shall constitute an integral part of the Agreement.

22. Authorised Representative - Attorney

22.1 In case the Client wishes a third person to manage his Financial Instruments and other issues related to this Agreement he must inform the IF in writing of the name of the said person (hereinafter called the “Authorised Representative / Attorney”). The Client acknowledges that the IF shall have dealings with this person only upon production by the latter of a power of attorney granted by the Client, satisfactory to the IF at its absolute discretion. Unless and until the IF is informed in writing that the authority has been withdrawn, any action taken by it in conforming with instructions given under such authority will be binding on the Client.

22.2 The IF may specify from time to time, the form, the content, adequacy and completeness of the authorisation of any person to give orders to the IF in relation to the Client and his Financial Instruments. It is further provided that where the Client is a legal person, the term “Authorised Representative / Attorney” shall include the person duly authorised by relevant resolution of the appropriate body of the legal person or by a Power of Attorney, to act on behalf of such legal person.

22.3 Any order given by any such duly Authorised Representative / Attorney, shall be deemed to have been given by the Client and the Client acknowledges and accepts any such order as if given by him and shall be fully responsible for all consequences resulting from the fact that the IF has acted pursuant to such order.

22.4 In case the Client as the person in whose name the Financial Instruments are registered is acting as authorised representative of a third person whether such person has been indicated to the IF or not, the IF shall consider the Client as being the IF’s only Client and that he is acting for himself on the basis of the Agreement. Such third person shall not be considered as a Client of the IF whether directly or indirectly, under any circumstances and the IF shall bear no responsibility towards such person.

23. Investors Compensation Fund for Investment Firms’ Clients

23.1 In this Agreement, the Investor Compensation Fund for Investment Firms clients as per paragraph 1 of section 59 of the Investment Services and Activities and Regulated Markets Law of 2007 shall apply to the investment and or ancillary services provided by the IF.

24. Acknowledgment of Risks - Safekeeping

24.1 The Client acknowledges that the Financial Instruments or funds of that client may be held by a third party on behalf of the IF and in such cases the Client may not be fully protected against the insolvency of the third party or in case of any act or omission of any such third party or may not be covered by the Investor Compensation Fund for Investment Firms Clients.

24.2 The Client acknowledges that funds or Financial instruments of the Client may be held in an omnibus account by a third party and in such cases the Client may not be fully protected against the insolvency of the third party or in case of any act or omission of any such third party.

24.3 The Client acknowledges that Financial Instruments of the Client may be held with a third party and such Financial Instruments may not be separately identifiable from the proprietary financial instruments of that third party or of the IF and in such cases the Client may not be fully protected against the insolvency of the third party or in case of any act or omission of any such third party.

24.4 The Client acknowledges that accounts that contain Financial Instruments or funds belonging to the Client may be subject to the law of a jurisdiction other than that of a Member State and the rights of the Client relating to those Financial Instruments or funds may differ accordingly.

24.5 The Client acknowledges that a depository may have a security interest or lien over, or right of set-off in relation to Financial Instruments or funds belonging to the Client.

24.6 The Client acknowledges and without any reservation accepts that, notwithstanding any investment advice or information which may have been given by the IF, the value of any investment in Financial Instruments may fluctuate either upwards or downwards.

24.7 The Client acknowledges and without any reservation accepts the existence of a substantial risk of incurring losses and damages as a result of buying or selling any Financial Instrument and acknowledges his willingness to take such risk.

24.8 The Client declares that he has read, understands and without any reservation accepts the following:

(1) Information regarding past returns of a Financial Instrument does not guarantee the future returns. The use of historic data does not constitute necessarily a safe forecast as to the corresponding future return of the Financial Instruments to which such data refer.

(2) Certain Financial Instruments may not be capable of being liquidated immediately due to reasons such as reduced demand and the Client may not be in a position to readily sell them or receive easily any information on the value of such Financial Instruments or the extent of the risks relating to such Financial Instruments.

(3) Warrant is the right to acquire shares or other securities with or without the deposit of a certain amount to the issuer. If the Client does not exercise such a right to acquire shares or other securities during the exercise period of the Warrants, upon expiry, the Warrants lapse and have no value whatsoever.

(4) The value of the Warrants is directly affected by the price of the share or security which may be acquired when the warrant is exercised. For example, a minor change in the price of the share or security which shall be acquired may result in a major change in the price of the Warrant. Consequently, the value of the Warrant is highly volatile.

(5) The Client should not purchase Warrants unless and until he is prepared to lose all funds invested and any commissions and other expenses incurred by him.

(6) When a Financial Instrument is negotiated in a currency other than the currency of the country of residence of the Client, any changes in the exchange rates may have a negative effect on its value.

(7) Any Financial Instrument in foreign markets may entail risks different than the ordinary risks in the market at the Client's country of residence.

24.9 The nature and extent of the risks mentioned above vary from country to country and depend on the Financial Instrument on which the investment shall be effected. In general, the risk factor is affected inter alia by:

(1) The type of the intended investment.

(2) The manner in which the specific investment is effected or the specific Financial Instrument is offered or negotiated or sold.

(3) The needs and profile of the investor.

(4) The market in which the Financial Instruments are negotiated and whether such market is regulated or not.

(5) The political risk in the country of the relevant Market or the country of the issuer.

- (6) The clearing and settlement system applicable to the relevant Market.
- (7) The place of registration or business, the capitalisation and the main business of the issuer.
- (8) The risk of insolvency of the issuer.
- (9) The complexity of the transaction.
- (10) Whether the transaction is connected with margin payment or the granting of credit or deposit of collateral or whether it is a leveraged transaction.
- (11) The counter-party risk.

24.10 The Client acknowledges that although aggregation of orders will generally be to the benefit of the Client, for instance to obtain better execution or reduced foreign exchange or other dealing costs by being part of a larger transaction, on occasions, aggregation and allocation may result in the Client obtaining a less favourable price.

24.11 The Client acknowledges and accepts that there may be other additional risks apart from those mentioned above.

25. Conflict of Interest

25.1 The IF shall apply the conflict of interest policy (as well as the steps taken by IF to mitigate those risks) adopted by the IF in relation to the Services to be undertaken for the Client as such policy shall apply from time to time. The conflict of interest policy as currently adopted is set out in a separate document which the IF has disclosed to the Client in a Durable Medium and which the Client acknowledges that it was received by it. Such disclosure takes into account the nature of the Client. The IF may amend its conflict of interest policy at any time during the duration of this Agreement subject to the absolute discretion of the IF and any such amendment shall not otherwise affect the provisions of this Agreement. At the request of the Client, the IF shall provide to the Client further details of the conflicts of interest policy in a Durable Medium

25.2 Notwithstanding the provisions of **clause 25.1** above, the IF declares that it shall take all possible measures in order to prevent or solve any conflict of interest between itself or persons associated with itself and its clients on the one hand, or amongst its clients inter se on the other hand. The IF, however, draws the attention of the Client and the Client concurs to the following possible events of conflict of interest:

- (1) The IF or any associated company or any company which is a member of the group of companies to which the IF belongs may:
 - (a) be an issuer of instruments in which the Client wishes to effect a transaction,
 - (b) enter into a contract with the Client in order to execute his order,
 - (c) act for own account or for another Client as purchaser or seller and may have an interest in securities of the issuer in which the Client wishes to effect a transaction,
 - (d) act as advisor, investment manager, underwriter, market maker, creditor, issuing manager, or may have a commercial or other interest with any issuer or third party,
 - (e) pay a fee to any third persons who introduced the Client to it or acted in any manner beneficial to the IF or so that the Client's orders are placed with the IF,
 - (f) be entitled to receive any amount in the form of commission or otherwise from any third person in relation to any Financial Instrument or investment product or Services.
- (2) The IF may execute differing orders for the account of different Clients.

26. Duration of Agreement

SANCTIONS CLAUSE

We shall not provide any services and shall not be liable to pay any sums or provide any benefit to the extent that the provision of such services, payment of such sums or provision of such benefit would breach or expose Mega Equity Securities and Financial Services Public Ltd to any enforcement or other adverse action under sanctions, prohibitions or restrictions under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

Mega Equity Securities and Financial Services Public Ltd shall maintain, and comply with, sanctions, prohibitions or restrictions under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, or United States of America. This includes the implementation of measures to accomplish effective and timely reviews of all relevant data with respect to its clients and with respect to incoming or outgoing assets or transactions. A key part of most sanctions measures is an asset freeze against named individuals, companies, and other entities. This means that their funds and economic resources are frozen and it is prohibited to make funds or economic resources available to them. Sanctions may require Mega Equity Securities and Financial Services Public Ltd to freeze the assets of clients held by Mega Equity Securities and Financial Services Public Ltd. In such an event Mega Equity Securities and Financial Services Public Ltd shall comply with such requirement and Mega Equity Securities and Financial Services Public Ltd shall not be able to perform any transfer of funds/securities to/from clients that would result in being in breach of applicable sanctions as described above.

The imposition of sanctions that directly affect a client of Mega Equity Securities and Financial Services Public Ltd or directly affect Mega Equity Securities and Financial Services Public Ltd's ability to provide its services without breaching such sanctions are to be considered as force majeure and the performance of any contract for the provision of financial services by Mega Equity Securities and Financial Services Public Ltd is suspended for the duration of such sanctions. Mega Equity Securities and Financial Services Public Ltd, shall apply an administrative fee of 1,00 % per annum payable in advance (starting from the date that such sanctions are applied) on client assets frozen under applicable sanctions, for the purpose of covering related sanction compliance, anti-money laundering compliance, legal compliance and general administrative services relating to the administration of the frozen assets. Mega Equity Securities and Financial Services Public Ltd maintains the right to liquidate any open market positions held by the client unilaterally and without any prior authorization from the client to cover the administrative fee arising from the asset freeze in the event that the funds held by the affected client do not suffice. Such liquidation is compliant with the Commission Opinion dated 27 May 2021 "on changes to the feature of frozen funds".

TAX OBLIGATIONS CLAUSE

Mega Equity Securities and Financial Services Public Ltd will not withhold Special Defense Contributions when receiving income from investment instruments (Dividends, Bonds Coupons, fund income distributions and/or any other income from investment securities). This change is considered necessary given that the tax obligations of each client towards the Cyprus Tax Authorities may be different and consequently the company is not in a position to make a proper assessment.

For the same reasons noted above, the company will not withhold contributions to the General Healthcare System when receiving income from such investment securities held under custody for its clients.

Each client should assess their tax obligations independently and in cooperation with their tax consultant, and pay the relevant amount due to the tax authorities. We note that any individual or company that is considered and taxable person by the income tax laws of Cyprus and receives overseas dividend and/or interest has an obligation to pay the Special Defense contribution to the Cyprus Tax authorities in two installments, on 30 June and 31 December every year. In accordance to the General Healthcare System law, any person who is a tax residence in the Republic of Cyprus may have an obligation to pay contributions to the General Health System for income received from dividend and/or interest in two installments, on the 30 June and 31 December every year.
